

57 Hotel is a 92-room boutique hotel and is aptly named as it denotes both the building's location (57 Foveaux Street) and its design influence. The Hotel's branding mirrors that of the famous 1970s New York club, Studio 54. 57 Hotel is ideally located close to Central Station and a huge range of Surry Hills cafes and restaurants, and is within stumbling distance of the area's many bars.

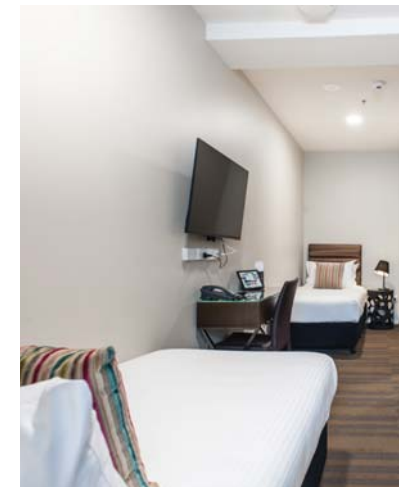

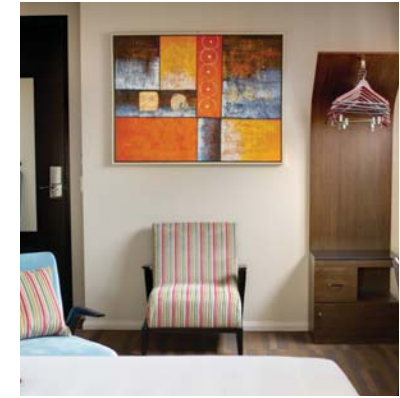

The Hotel's entrance is understated with a magnificent liquid gold wave ceiling as the main feature. In the sunken lobby guests are treated to eye-catching interiors with contemporary décor and interesting views of those passing by.

Boasting room names such as 57 Single, Mini Disco Double and Dancing Queen, all 92 rooms are funky in design with luxurious bedding, 42" HDTV, in room iPads, overhead rain shower, urban skincare amenities, personal safe, cosmetic and shaving mirror, hairdryer, iron and ironing board and the Hotel's mood music playlist.

Answering the prayers of travellers, guests of the Hotel experience complimentary Wi-Fi, Express Breakfast with Nespresso coffee in the lobby, 24/7 gym access, local calls, bottled water and lollies as well as luxe bedding.
